

BEAVERS

The Beaver Colony, as with all sections in the Group, continued to be very popular in 2014, with 28 Beavers taking part each term. We enjoyed a range of activities during the year, including the CAMBAD district activity day, Remembrance Sunday, family camp and district activity day at Mepal. Other activities during the year included visits to the Old Library at St John's College, the Institute of Astronomy, Christmas party at Milton Community Centre, bike ride to Grantchester Meadows, building (and bashing) piñatas, building marsh-mallow catapults, and wide games with the Cubs.

Special thanks to our other adult leaders, Tom Kirk and Xina Moss, our extremely helpful group of parents, and to the fantastic Young Leaders from other sections of Scouting and Girl Guiding who helped out during the year: Brandon and Abi were especially helpful and a source of great support to me and the rest of the leadership team.
